

Commemorative evening of the 25th anniversary of the creation of the Ottawa Charter

Presented by
4^e Colloque des Programmes locaux et régionaux de santé

Dear colleagues and friends,

Twenty-five years ago, the first international conference on health promotion took place in Ottawa and the Ottawa Charter was launched. This charter has definitely shaped how we view health promotion and it has supported the creation of a multitude of training centres and specialized publications in health promotion. The charter has been a strong building block in the development of a field of practice still alive and very relevant today. Currently, all of you actively contribute to it.

Therefore we invite you to join us to celebrate the 25th anniversary of the creation of the Ottawa Charter for health promotion! To mark this historic event, we are counting on your participation to this evening of celebration where you will have an opportunity to meet the main actors of the Ottawa Charter and listen to them:

Dr Ilona Kickbush, Dr David McQueen and Dr Irving Rootman

It is also an exceptional moment to reaffirm our commitment for a more equitable world and to optimistically reflect on its upcoming leaders.

This gala will take place on June 29, 2011 at the National Art Gallery in Ottawa starting at 7 p.m.

The cost of participation is \$75 per person (\$50 for participants to the 4^e Colloque des PLRS). The ticket price includes your meal, wine and entertainment. **Reservations are required before June 1, 2011.** To reserve, simply [click here](#).

Do not miss this dynamic and convivial event that will confidently kick start the next 25 years.
